## FESTIVE ICE-CREAM IN A BAG

This activity is for Cubs  
but any section or leaders  
could take part too !

### Cub Festive Ice-Cream in a Bag

#### What you need:

- 240ml Single Cream
- 2 tbsp Caster Sugar
- ½ tsp Vanilla Extract
- Ice
- 75g Salt
- Festive Cake Decorations (i.e. 100's & 1000's)
- Re-sealable Food Bags (zip-lock ones are best) – 1 x small and 1 x large

#### How to make it:

Craft your own festive ice-cream in a bag in around 15 minutes.

1. In the small resealable plastic bag combine the single cream, caster sugar and vanilla extract, push out the excess air and seal the bag.
2. Into the large resealable plastic bag, combine the ice and the salt.
3. Place the small bag into the large bag and seal the outer bag.
4. Shake vigorously for 8-10 minutes until ice-cream has formed and hardened inside the small bag.
5. Remove from the outer bag and ensure the ice and salt mixture is wiped from the inner bag.
6. Open the bag, add the cake decorations, reseal and briefly squeeze to mix, without causing the ice-cream to melt.
7. Remove from the bag, place into a bowl and enjoy!

#### Get more Crafty:

Why not design your own branding for the festive ice-cream you have made and “sell” it other people to enjoy.

#### Safety Notes:

**Food / Allergies:** Check for allergies before you begin. Make sure you have suitable areas for storing and preparing food and avoid cross contamination of different foods. All activities must be safely managed.
